Page 1/2

By purchasing your ticket, you agree to be transported on top of a High Mountain area, Off piste and insecured, and you acknowledge that you have read the safety instructions.

To help you in your choices, information are available at the start of the cablecar. Read the documents provided for this purpose. Ask for the "Patrouilleurs".

This site is unique: Your safety depends on your behavior.

Your Skipass is strictly personal:

It is not assignable and not transferable. It must be submitted and shown to any control and the user will, if necessary, have to prove his identity (x-days skipass ...) or its category for discounted rate (titles with discounts).

It is entitled, for its validity, for using the lifts in service for the category title. The user must carry his skipass all the journey, from the departure area of the lift to the finish area. The lack of skipass or use of a non-conforming or falsified, evidenced by an employee of the operator is liable for contraventions and to lawsuits under existing French legislation. (Articles L342-15, R342-19 and 342-20 of the Code of Tourism), meaning the payment of a penalty equal to five times the daily rate. Besides the penalty, and / or lawsuits, employee will proceed to the immediate removal of skipass as evidence.

Loss, theft or damage:

Skipasses found are collected at the cashdesk of the cable-car at La Grave. (Use the contact form Website: <http://la-grave.com/winter/contact.php>).

All Skipasses, journey, x days, or season not found cannot be replaced or refunded.

Standard compensation arrangements for any interruption of service:

In case of interruption of lift service only for technical reasons, holders of a x-days (excluding season pass) will be offered a "compensation" for day suffered in case of total and complete blackout lifts higher than a half-day if the number of days remaining is greater than the remainder of their stay. This compensation, calculated at end of stay will be equal to the difference between the price paid by the customer and the days used by the user multiplied by the base rate.

Customer may have, upon presentation of proof:

- is an immediate extension,
- Or a credit during the day (s) immediately and valid given the current season or next season.

No refund of skipass in case of illness or accident ...:

No refund of the skipass will be issued in any case of injury or illness, even on production of medical certificate.

Junction between La Grave and Les 2 Alpes...

Implementation Agreements :

The following reciprocal agreements will be valid only after the physical opening of the binding domains via the Girose glacier.

La Grave -> Les 2-Alpes Way

It's free for skiing in Les 2-Alpes with a ski pass from La Grave.
(not valid for a single-way or return ticket)

As 2-alpes ski resort have hands-free access, you need to have a free skipass at the central ski-pass delivery.

Do not take skilift if you had not a valid skipass from the 2-alpes resort (free delivery at the central ski-pass delivery).

Les 2-Alpes -> La Grave Way

With a valid ski pass 2-Alpes , you can use the La Grave cable-car for 13€ or 18€ more (depending of your skipass categorie - free for 6 days and more skipass) everyday of the week, but never the Saturdays and Sunday and the other public-day-off.

The week-end and the public-holiday, you will need to pay a full ski-pass at La Grave..

St-Christophe and the Vallons de la Selle

With a valid ski-pass of La Grave, you can take a single-way to the top for coming back to La Grave from Venosc. (It's not valid with a single-way from La Grave)

Recommandations

Going to 2-alpes from La Grave need walking (between 15 and 30 minutes) at an altitude of 3500m. You must know that the link between the two resorts is very dependant of the weather conditions. In case of strong winds, no visibility on the glacier(...), the link could be brake at any time, and you could be on the other valley. Coming back by the road (coach or taxis...) will never be charged on the resorts..
